Find out how you rank compared to others on this competition and set up to the challenge! Good luck!

The competition includes questions in the following fields:

General information

Science

Math

Geography

Sports

Movies

And English.

✳ School's Out... Let the Challenge Begin!

- As we celebrate the end of the school year 2025/2026, we are excited to announce a fun and lively general knowledge competition on the 2nd of May 2026!

This event aims to spark students' curiosity, boost their confidence, and keep them joyfully connected to the school community even as they head into their vacation.

- Rules:

1. The competition is compulsory for all students. Students will be evaluated based on their commitment and performance. The evaluation will be on a scale of 2 to 5 marks, starting from 2 marks for those who are eliminated first.
2. Students will be asked the competition questions every Saturday.
3. Eliminations will take place based on each student's performance until we reach the top three students from each section.
4. On the competition day, two teams will compete for the first rank—one team from each section. Each team will consist of the top three students.
5. The teams will be rewarded for their efforts based on the ranks they achieve.

Good luck everyone and remember:

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today."
